Happy Father's Day

Scripture is filled with people we can learn much from. When it comes to the challenging vocation of fatherhood, several fathers in the Bible show what is wise to do—and what is not wise to do.

At the end of this list, you'll find a profile of God the Father, the ultimate role model for all human dads. His love, kindness, patience, wisdom, and protectiveness are impossible standards to live up to. Fortunately, he is also forgiving and understanding, answering fathers' prayers and giving them expert guidance so they can be the man their family wants them to be
