Returning to the Church Building.

From the meeting on Monday July 20, we have decided that we began Morning Services at the church building on Sunday August 2nd,

All precautions are being followed and members can meet and worship when they feel they are ready.

Entrance will be by the Fennell Avenue door. Please exit by the doors on the East 27th entrance. Those who require the Ramp entrance off the parking lot may use this entrance to enter and exit the building. The church basement will be off limits – no entrance to the basement. The washroom upstairs is available to use. Please use the hand sanitizer when you enter and leave the building. We ask that you do not linger in the building after the worship time is complete and follow the arrows on the floor to enter and exit.

When you enter from the Fennell entrance, the table. Please pick up your Communion cups which will contain a bread wafer and

grape juice and proceed to the seating area. If you prefer to bring your own communion items, you are welcome to do that. Please choose your seat while being particular to social distance from other members. Masks are required within the church building. If you do not have one, there will be a supply of masks available for members to use. We will not be singing during the worship time, but some Acapella music will be played.

We will be simultaneously using Zoom for those participating from home on their device or phone while we have our service. We will also record the service and post it to our website.

Please use your judgment when considering returning to the building for worship. If you do not feel comfortable at this time to return, that is understandable and acceptable.

Blessings to everyone!
