**WE DON'T ORDINARILY** think of ears as beautiful parts of the body...

They never get featured on the covers of magazines. There are not many songs or poems about ears. No one seems to compliment them. When did anyone come to you and say, "Nice set of ears you've got!" In fact, ears take lots of abuse. They get twisted by parents, punctured by metal shafts, invaded by gnats, clogged by wax, burned by the sun, frozen by the cold, and assaulted by a variety of loud noises. Some even get nibbled on now and then.

The truth is that ears are the marvellous creation of God. They are beautiful and the ability to hear is one of God's most precious gifts. Lindsey Garmon

. "He who answers a matter before he hears it, it is folly and shame to him." Proverbs 18:13

. "The heart of the prudent acquires knowledge, and the ear of the wise seeks knowledge." Proverbs 18:15

. "So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath." James 1:19

*"He who has ears to hear, let him hear!" Matthew 11:15*
